

Events

Throughout November | Fall Planting for 500 Trees

Fall is a great time for planting and the 500 Trees program is ready to help you select and plant a climate-resilient tree to beautify your yard and help the planet!

Interested? Sign up [HERE](#).

Nov. 10 | Los Altos City Council Meeting - Item #14 - Environmental Art

Please let the City Council know that you would like environmentally-themed public art that honors our local watershed. Read the proposal [HERE](#) and email City Council [HERE](#).

Nov. 18 | 11 AM | Community Conversations - Support for Eating Green

Get support for transitioning to more plant-based meals. GreenTown is here to help you. Sign up [HERE](#) just 2 spots left.

Nov. 19 | 5 PM | Ditch the Dairy: Debunking Myths and Answering Your Nutrition Questions. Register [HERE](#).

Late November | Los Altos Hardware Electric Leaf Blower Promotion

Help clear the air by putting away the gas leaf blowers and support a local business. Are you looking for that perfect holiday gift for your environmentally-inclined spouse? Perhaps you want a way to generously thank your gardeners who have toiled extra hard on your landscaping during Covid. An electric leaf blower with discounts on other gardening supplies could be the perfect solution. Contact GreenTown's [Linda Ziff](#) for more info.

Do You Know Margie Suozzo? She's Our Environmental Hero Of the Year!

If you haven't heard, Margie, who has her hands in, well, almost all that we do and have

done for a decade plus, was honored at our recent fundraiser. Though she has stepped down from the GreenTown board, she's still just as active in keeping our community focused on sustainability. To thank her (can we ever thank her enough?) for all she has done, we made her our Environmental Hero of the Year. The summary is [here](#).

**Get Support for Eating Greener.
Join our Community Conversations!**

You've seen the evidence. You know a plant-based diet is good for you and good for the planet. But you're not vegetarian, let alone vegan. You are not alone! It's hard making dietary changes. **Read more** [here](#). The good news is that GreenTown's Eating Green team is planning a series of Community Conversations to support you in exploring obstacles and celebrating incremental steps. Our first conversation is on Nov. 18. Just 2 more spots are left. **Sign up** [here](#).

**The 500 Trees Campaign Is Growing....
Now's Your Chance To Sign Up!**

Round two of **500 Trees** has begun and we need your help to reach our goal! Last year, we planted 162 trees. With Covid restrictions, we are unlikely to plant as many this year, but with your help we'll make progress toward our goal! To get your tree, sign up for a site visit [here](#). We'll come by and help you pick out a tree that will work for you (check out the

[tree list here](#), prepared with the help of Canopy) and we'll plant it. All we ask is \$110 per tree complete with planting. We think that's a pretty good price to pay for a healthier environment.

Fall Creek Cleanup? Yes!
Thanks To Our Community's Kids!

There's a little less trash threatening the Bay thanks to local kids! Like so much these days, the Fall Creek Cleanup was modified for 2020 because of Covid. But that didn't stop enthusiastic Girl Scouts and SLOBs (members of the Service League of Boys) from finding a way to demonstrate their creek stewardship. [Read more here.](#)
